NOTES

(1) Year 2001 (base) population derived from Mapfro TargetPro system. Population projections derived from Woking Borsugh Council who were supplied by Surrey County Council with a Draft Interim 2001 based Population and Household Forecasts. For Zone 1 the projection is based on the projection rate for Woking BC; for Zone 2 this is based on the projection rate for Guildford BC; for Zone 3 this is based on the projection rate for Council and Surrey Health BC; for Zone 3 this is based on the projection rate for Woking BC; for Zone 4 this is based on the average of the projections for Guildford BC and Surrey Health BC and for Zone 6 this is based on the projection for Turnymede BC.

(2) 2001 (base) expenditure derived from MapInfo TargetPro dataset. Projections based on 4.4% p.a., this is based on DTZ's in-house view of comparison goods expenditure growth (September 2004).

(3) Expenditure on special forms of trading (e.g. mail order) has NOT been deducted from the average spend estimates. Assume 7.6% of total available spend is on mail order, vending machines, internet, etc.
